Yes

Agency Internal Affairs:

Yes

Date Reported:

12/10/2024

Narrative/Summary of Incident:

The formatting of this might be off due to copy paste. Please see attached. From: Vem Miller 8414 W. Farm Rd. Suite 180, pmb 206 Las Vegas, NV 89131 3104970650 vemmiller@protonmail.com COMPLAINT TO AG ROB BONTA December 11, 2024 Dear Attorney General Rob Bonta, My name is Vem Miller. I'm writing to you about multiple

complaints and grievances against the Riverside County Sheriff's Department and Sheriff Chad Bianco. Im looking for your help and assistance in these matters. Background: On October 13, 2024, Sheriff Chad Bianco of the Riverside County Sheriff's Department falsely accused me of trying to assassinate President Trump, of being a "lunatic", of having ill intent for the President, of having Fake IDs, and many other false accusations. Sheriff Chad Bianco said all these false accusations before the national and international media, and it was covered by over 300 international and national outlets. It became the biggest story of that long weekend and week. In order to understand the scope of what I am referring to, it is important to download and read my detailed: Statement of Facts (1), as well as take a look at Exhibit XX (2) and Exhibit ZZ (3), Exhibits XX, and ZZ, are akin to picture books that capture the frenzied Media and Social Media behind this matter in question. It is not necessary to read the entirety of Exhibit XX or Exhibit ZZ, but rather to thumb through it to get an idea of what occurred due to Sheriff Bianco's Lies. There are no words I can say that capture the scope of the calamity this created in my life, and in my families life, other than to show it to you in pictures, as available at the links below. LINK Statement of Facts by Vem Miller https://drive.google.com/file/d/1IRc_V45IAWC-W1ZblUchb5PiVtGzlv7x/view?usp=drive_link LINK Exhibit XX - Social Media and Media Picture Book of onslaught following October 13, 2024 false accusations https://drive.google.com/file/d/10hW8Jaws9n6CMSr7kSYyTjo35RiRkoih/view?usp=drive_link LINK Exhibit ZZ - Articles relating to the October 13, 2024 false accusations https://drive.google.com/file/d/1sPTx58ESMpyqUck4UoW1m1nRTnLGpQqk/view?usp=drive_link I have also set up a website page, where I am uploading the entire storyline of what Bianco did, with evidence. While this website is a work in progress as of now, I welcome for you to look into some of what has already occurred and been revealed, especially via whistleblowers within the Riverside Sheriff's Department, who've exposed potential bribery, corruption, and unlawful behavior. <https://www.americahappens.com/the-3rd-assassin-hoax> Summary Sheriff Chad Bianco knowingly lied to the entire world when he accused me of being a President Trump

Assassin. I was given a ticket on October 12, 2024, which is attached herein as EXHIBIT 1, a misdemeanor, which I state was under false pretenses and fraud. Non the less, this citation, is something common. Somehow, Chad Bianco turned this into an attempted President Trump assassination. He lied about everything under the sun, was there to kill the President, was there to cause harm 100%, said I had fake Ids, that I was anti government, a sovereign citizen, that I was a lunatic, and more. Anything that came out of his mouth of substance was a lie. I have since learned that he was doing this to gain the attention of the mainstream media, because he is planning on running for California Governor. He wanted to seem like a hero in front of the world, even if it meant the complete destruction of my life and framing me for a crime I did not commit. This was complete character assassination. This was also using public funds and resources for his own personal ambitions. Today, a search for Vem Miller returns lies that I am anti government, an assassin, a person with fake ids, a criminal minded person, etc. All lies. Imagine being Vem Miller and trying to get a lease, a job, go on a date, and anything else normal people do, after the havoc that the lies of Sheriff Chad Bianco have reaped upon my life. What am I looking for from AG Rob Bonta? 1 - I requested the body cam footage of October 12, 2024 from the Riverside Sheriff's Department. I was denied. I attach the first denial as EXHIBIT 2. I appealed the denial, and this time, I got a response from the lawyer at the Riverside Sheriff's Department. I attach this second denial via the lawyer as EXHIBIT 3. The grounds for denial of the Body Cam footage, are based upon lies. There is no investigation into this matter, unless Sheriff Bianco has fraudulently launched one to avoid the inevitable revelation of the truth. I ask that AG Rob Bonta use his lawful powers to expedite the release of all the Body Cam footage pertaining to the events of October 12, 2024, into my possession, as I have outlined in my FOIA and CPRA requests, attached herein as EXHIBIT 4. 2 - What Sheriff Chad Bianco has done, in knowingly lying, causing international defamation, and trying to frame an innocent person for a crime they did not commit, is a clear violation of protocol under POST (Peace Officer Standards and Training) and California Senate Bill 2. Under those two guidelines, the Decertification of Chad

Bianco and David Coronado is warranted. Therefore, I ask that AG Rob Bonta send a high recommendation that Senate Bill 2 be exercised, and that Chad Bianco and David Coronado be decertified for knowingly reporting false information, and trying to frame a person, which is also a felony under 18 U.S. Code § 1001. 3 - There are multiple Civil Rights issues pertaining to the conduct of Sheriff Chad Bianco and the Riverside Sheriff's Department. The Body Cam footage will reveal many more than the ones currently being discussed at this juncture. For example: I was deprived of much needed water and medical supplements. My ill medical state was used to conduct an unlawful search and seizure of my car. Officers knew this was completely unwarranted. Many other legal and ethical violations. I would like AG Bonta to launch a deprivation of Civil Rights Investigation into the conduct of Chad Bianco and the Riverside County Sheriff's Department. The issue I want to point out to AG Rob Bonta is how the fact that I am a Dual Citizen was so badly demonized by Sheriff Chad Bianco, in trying to make the simple fact that I have two passports into reasons to suspect me for being an assassin. He did this over and over and over before the worldwide media. EVIDENCE: Please to to the following site link and scroll down to "Chad Bianco Doubling Down on His Lies". There are six videos there where Chad Bianco speaks to Fox News, ABC News, Inside Edition, Dam Abrams News Nation, Fox Prime time. In all of these mainstream media news clips, he keeps bringing up my dual citizenship in the most nefarious sounding way possible to further demonize me. <https://www.americahappens.com/the-3rd-assassin-hoax> I am American, and being of Armenian decent, we have been a targeted minority for centuries because of our Christian heritage. The primary reason for the name change between my US and Canadian passport is because my Christian Armenian last name could get me killed in many regions of the Near East or Middle East, where I planned to do Investigative Journalism. When I had the opportunity to do a name change in order to have this protection, I did so. It was all lawfully done. I have done research on how common it is for people to have dual citizenship, and different last names in their US Passport vs Passport from their country of Birth. There are over 110 members of congress, in the United

States, that have 2 Passports, and 1 drivers license. On a low account, there are over 11 million people in the United States that are dual citizens, but some believe that number could be as high as 40 million. 33% of immigrants change their last names within the first 10 years of arriving to the USA. Historically, changing of names was a practice in Ellis Island where many new immigrants landed. Names would be "Americanized" Other immigrants would have reasons pertaining to persecution and asylum. Therefore, Nothing is unusual when there are tens in the million doing the same thing. It was logical, lawful, and somewhat common. But Bianco exaggerated and dramatized how many passports I had, my id, their authenticity, all aimed at making me sound like sound like an international assassin with a briefcase of passports and fake IDs. According to Bianco: Any one of the 33% of immigrants that change their name when they come to the USA could have fallen prey to this, simply because they have one passport with their new name, and one with their old name on it. Or the 11 million individuals that have dual citizenship, who can have an Americanized version of a name on one passport, and the original name on the birth place passport. However I look at this matter, this stems from racism, prejudice, and discrimination, and hence warrants a Civil Rights investigation and correct accountability. Framing an Innocent Man, and demonizing him before the world Chad Bianco has had possession of the body Cam footage, and he knows that footage shows me to be innocent. Yet today he is covering up the body cam footage, while he has doubled down over and over again, trying to frame me to be an assassin, and putting a target on my back. Chad Bianco has used the Riverside Sheriff's Department, like his own P.R. Company, where false accusations like the ones he created against me, are used to raise his name in the national media, for his governor run. Thats using government resources and tax payer dollars for personal gain. Conclusion and Prayer for Relief In Summary, I ask that AG Rob Bonta 1 - Help in the attainment of the Body Cam Footage and Surveillance footage from October 12, 2024 2 - Recommend the Decertification of Bianco and Coronado 3 - Take action against the Civil Rights Violations of Chad Bianco. Thank you Attorney General Rob Bonta Vem Miller 310 497 0650
